### Chapter 1 fair game review| - Legacy

The spinning is still going on. Doug Liman's "Fair Game," based on books by Valerie Plame and Joseph Wilson and starring Sean Penn and Naomi Watts, is unusually bold for a fictionalization based on real events. Using real names and a good many facts, it argues: (1) Saddam Hussein had no WMD; (2) the CIA knew it; (3) the White House knew it; (4 ...

### Fair Game movie review & film summary (2010) | Roger Ebert

In Fair Game Josh Lanyon combined skillfully - as always - an exciting criminal case with the personal fate of its protagonists. The whole story was spiced up with a pinch of subtle humor, that made the reading even more pleasurable for me.
