TOWARD A COGNITIVE SCIENCE OF CHRISTIANITY JUSTIN L. BARRETT My task for this chapter is to prime the pump. The time is right for theologically- informed scholars to build upon the accomplishments of the Cognitive Science of Religion (CSR) to create a new rigorous engagement between Christianity and science.

Christianity and Science. Christianity and Science - Introduction When it comes to Christianity and Science, perhaps nothing has troubled believers more in the last century than the question of the origin of life. 1 Because many biologists (both Christian and non-Christian) treat evolution as a scientific fact, Christians have struggled to reconcile their faith in the Bible with the “facts ...

Christians need to be careful not to let science usurp the place of authority and honor that belongs to God alone. If you are a Christian, you need to keep in mind that God alone is the Lord and that He placed the universe here. We are here for Him, so we might glorify Him and enjoy Him forever (1 Cor. 1:9). There is no God, but one (Isaiah 44 ...

HAUGHT, J. F., Christianity and Science. Toward a Theology ...

study attitude towards Christianity and interest in science are measured among a sample of 729
16-18 year olds in Scotland. The data demonstrate a significant negative correlation between
attitude towards Christianity and interest in science. Path analysis is then employed to explore the
antecedents of this observed relation-ship.
