The names are mentioned together in Ezekiel chapter 38, where Gog is an individual and Magog is his land. The meaning of the name Gog remains uncertain, and in any case, the author of the Ezekiel prophecy seems to attach no particular importance to it. Efforts have been made to identify him with various individuals, notably Gyges, a king of Lydia in the early 7th century BC, but many scholars ...

Well, Cambridge dictionary is saying that a Viking is a person belonging to a race of Scandinavian people who travelled by sea and attacked parts of northern and southern Europe between the 8th and the 11th centuries, often staying to live in places they travelled to. So we should decide (or find out) if Normans were (still) Scandinavians and if they (still) traveled by sea and attacked parts ...
