Erotic Islands is grounded in "site-specific artistry and activism as the principal coordinates by which to launch an ideological and semantic remapping of the very notion of erotic desire itself" (p. xxiii). First articulated by Audre Lorde in "Uses of the Erotic: The Erotic as Power" (1978), the erotic is taken up here as a complex philosophical proposition.

the benefits and challenges of “queer ethnography” as a methodology. According to the author, situating the speaking subjects of ethnography is necessary in order to both highlight the “experiential specificity” of the ethnographer’s lived time in the field (213) and to avoid turning ethnographic ...
