Alex de Waal - Wikipedia

A widespread famine affected Ethiopia from 1983 to 1985. The worst famine to hit the country in a century, it left 1.2 million dead. 400,000 refugees left the country, and 2.5 million people were internally displaced. Almost 200,000 children were orphaned. According to Human Rights Watch, more than half its mortality could be attributed to "human rights abuses causing the famine to come ...
