Labour Under The Apartheid Regime

The situation with regard to labour and land remained more or less the same during the apartheid period. With regard to labour, the policy of protected labour remained in place, strengthened by the Bantu Education Policy. The system of migrant labour continued, although more black people started settling in white areas, leading to the establishment of townships.

Land, Labour and Apartheid | South African History Online

apartheid regime relied on black labor to keep the economy going and the strikes showed that widespread discontent could be mobilized to disrupt the work that kept the regime in power durban's labor activism in turn helped to inspire strikes elsewhere and then a student uprising that included a

Labour Under The Apartheid Regime Practical Problems And ...

By 1929, however, the National Labour government, with its "civilized labour policy," had cut it back to 8.8 to 1. In 1953—the heyday of apartheid—the ratio was further constrained to 6.4 to 1, an incredible regulatory "achievement" considering that the natural (unregulated) advance of Africans would surely have pushed the ratio progressively higher over the passing decades.

The critical function entrusted to the local authorities was, however, the administration of tougher Pass laws: Africans deemed surplus to the labour needs of White households, commerce and industry, or those leading an 'idle, dissolute or disorderly life', could be deported to the Reserves.

Apartheid Legislation 1850s-1970s | South African History ...

This sustained action by the ILO underlined the extent to which apartheid was a labour-related issue. ILO action had moved from initial recommendations to an unwilling South African government, to mobilization of international opinion against apartheid, and to the isolation of the South African government until it abolished apartheid.

Trade unions under apartheid were racially segregated, with 54 unions being white only, 38 for Indian and Coloured and 19 for black people. The Industrial Conciliation Act (1956) legislated against the creation of multi-racial trade unions and attempted to split existing multi-racial unions into separate branches or organisations along racial lines.

Apartheid - Wikipedia

The system of racial segregation in South Africa known as apartheid was implemented and enforced by many acts and other laws. This legislation served to institutionalise racial discrimination and the dominance by white people over people of other races. While the bulk of this legislation was enacted after the election of the National Party government in 1948, it was preceded by discriminatory ...
