Maths Makes Sense - Pearson Global Schools - MAFIADOC.COM

Strong number sense developed in the early years is a key building block of learning arithmetic in the primary grades, as it connects counting to quantities, solidifies and refines the understanding of more and less, and helps children estimate quantities and measurements. © Erikson Institute's Early Math Collaborative.

Number Sense - Erikson Institute Early Math Collaborative

Maths Makes Sense! makes use of the realistic mathematics education (RME) philosophy, which bridges the gap between informal mathematics learning (such as in day-to-day life) and more formal teaching in school.
