Maynard And Jennica Rudolph Delson

Delson tells the story of this improbable love affair through the voices of Maynard and Jennica, along with their family, friends, and assorted characters (among them two attorneys, three journalists, and a rap star) pulled into their dizzying orbit. He brings to life a pair of lovers who are flawed, complex, at once eccentric and deeply familiar—and in whose story we continue to feel invested long after we've turned the last page.

Maynard and Jennica is the comic love story of a pretentious filmmaker (the kind who films people picking up dog shit and calls it art) and an uptight, obnoxiously stereotypical Jewish woman. Their love story takes place during a few months that precede and follow the destruction of the towers on 9/11.

Maynard and Jennica by Rudolph Delson - Goodreads

Though at times the ruminations of secondary voices don't encompass the wistful peaks established through Maynard and Jennica's story, the varying narratives are effectively cohesive. Delson's clever debut is sharp and energetic, a highly original contemporary love story set against New York's invigorating urban landscape. (Booklist -Leah Strauss)

— Rudolph Delson, Maynard and Jennica "...dignity demands that we, as rational apes, reject delusions, including comforting delusions, in favor of the truth. And it is a comforting delusion to think that every time a beautiful woman sits down across from you on the subway, destiny is trying to bring you happiness.
