Nitsuko Dx2e Phone Manual - h2opalermo.it

These phones are replacing the Nitsuko 92573 phones. Although these two phones are compatible (they both work with the existing 124I phone system) I know from prior experience that because they're not the same exact model, when I do the replacement the user will no longer have access to their voice mails and I'll have to do some configuring on the phone to fix that.
