Pathfinder Ranger Build Guide

Str: Essential for any ranger build, including archery Rangers, though archer builds will need less than melee builds. Dex: Essential for any ranger build, though archery Rangers will need considerably more. Even if you plan to use Two-Weapon Fighting, the Ranger gets to take bonus feats without meeting their pre-requisites, so you only need enough Dexterity to fill out your Maximum Dexterity Bonus.

Ranger is definitely viable, at least by the core class. I am unfamiliar with those archetypes. Archery rangers can output buckets of damage once you have the feats for it, and although I've never been fond of dual-wielding, Rangers can do it very well (just go all STR and get the ZWF feats without prereqs from the Style bonus feats), especially if they're focusing their Favoured Enemy.
