### Philosophical Feminism and Popular Culture eBook by Kelly ...

The eight essays contained in Philosophical Feminism and Popular Culture explore the portrayal of women and various philosophical responses to that portrayal in contemporary post-civil rights society. The essays examine visual, print, and performance media-stand-up comedy, movies, television, and a blockbuster trilogy of novel. These philosophical feminist analyses of popular culture consider ...

### **Philosophical Feminism and Popular Culture - Sharon L ...**

Philosophical feminism, a loosely related set of approaches in various fields of philosophy that (1) emphasizes the role of gender in the formation of traditional philosophical problems and concepts, (2) analyzes the ways in which traditional philosophy reflects and perpetuates bias against women, and (3) defends philosophical concepts and theories that presume women's equality.

### **Philosophical feminism | Britannica**

Feminist philosophy gives attention to everyday life and social practices and the discourses that accompany these. Everyday popular culture remains an enormously influential source for both sexist constructions of women's role and character as well as potent and vivid challenges to these.

### **Philosophical Feminism and Popular Culture: Crasnow ...**

The assumptions about the nature of persons that anchored feminist agency theory also informed feminist epistemology and philosophy of science. In Western culture, women often have been represented as essentially unknowable by men, in large part because men have been seen as rational and women as irrational.

### **Philosophical feminism - Feminist theories of agency ...**

Feminist philosophers work within all the major traditions of philosophical scholarship including analytic philosophy, American pragmatist philosophy, and Continental philosophy. Entries in this Encyclopedia appearing under the heading "feminism, approaches" discuss the impact of these traditions on feminist scholarship and examine the possibility and desirability of work that makes links between two traditions.

### **Feminist Philosophy (Stanford Encyclopedia of Philosophy)**

The second meaning of feminist philosophy is to describe attempts within the discipline of philosophy to critique traditionalist philosophy by applying feminist analysis. Some typical arguments of this feminist approach to philosophy center on how traditional methods of philosophy have accepted that the social norms about "male" and ...
