The 2nd gen Freelander was far more in line with the rest of the Range Rover family in terms of quality and refinement. Inside the cabin, options included a 7-inch nav system, either a 14 or 17-speaker sound system and heated seats. Another focus, was improving its off-road prowess, achieved by using a modified version of the Discovery 3's Terrain Response system and a new Haldex 4x4 system.
