The Dogs of Babel is one of the more remarkable debut novels of recent memory, a story with a fascinating premise that engulfed me in a beautifully tragic exploration of grief and the very human search for meaning in life and death. When I saw that the book involved a man trying to teach a dog to talk, I had to check it out.

Review: The Dogs of Babel by Carolyn Parkhurst

Carolyn Parkhurst may owe Alice Sebold a karmic debt. Sebold's phenomenal success with *The Lovely Bones*, a quirky, lyrical, fantasy-tinged debut novel about death and grieving, likely influenced publishers to look seriously at Parkhurst's *The Dogs Of Babel*, a quirky, lyrical, fantasy-tinged debut novel about death and grieving. But superficial descriptors aside, Parkhurst's work stands on its ...

When I first read The Dogs of Babel, I was probably a bit too young to fully appreciate the nuanced balance of grief and joy presented by author Carolyn Parkhurst. But I recently picked the book up again, and was so deeply moved by the story that I was unable to stop thinking about it for several days later.
