The First Amendment And The

The First Amendment guarantees freedoms concerning religion, expression, assembly, and the right to petition. It forbids Congress from both promoting one religion over others and also restricting an individual's religious practices. It guarantees freedom of expression by prohibiting Congress from restricting the press or the rights of individuals to speak freely.

Essay on The First Amendment - 876 Words | Bartleby

The first clause in the First Amendment—"Congress shall make no law respecting an establishment of religion"—is generally referred to as the establishment clause. It is the establishment clause that grants "separation of church and state," preventing—for example—a government-funded Church of the United States from coming into being.

First Amendment - Text, Origins, and Meaning

At first glance, the First Amendment appears to be written in clear, unequivocal, and facile terms: "Congress shall make no law" (emphasis added) in contravention of certain religious and political principles. After a closer reading, and upon further reflection, the amendment's underlying complexities rise to the surface in the form of persistent questions that have nagged the legal system over the last two centuries.
