any way. accompanied by them is this the unmapped mind a memoir of neurology incurable disease and learning how to live that can be your partner.

You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

The Unmapped Mind A Memoir of Neurology, Multiple ...

The Unmapped Mind is an exploration of fatherhood, family and friendship. While MS is present on every page, is not explicitly mentioned until page 6 - a refreshing change from other MS memoirs, which tend to focus on the disease and not the life to be lived. Donlan has RRMS, the most common form of MS.
