Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

These Children Who Come At

You eat meat and you kill things that are better than you are, and then you say how bad, and even killers, your children are. You made your children what they are. . . . These children that come at you with knives. they are your children. You taught them. I didn't teach them. I just tried to help them stand up. . . .

'Bring these kids home': More speak out against NT program

The great hindrance to effective ministry to children is pride, and the great gift for ministry to children is humility. But there are many other hindrances that we put in the way of the children as they come to Jesus. Most of these are in some way or other the result of pride, even though they don't look like it on the surface.
